Level 4 Client Project

In level four, student groups partner with non-profit organizations focused on bipolar disorder to apply their expertise. These organizations act as clients, and the students will utilize their acquired skills to develop a final website tailored to the specific needs of individuals affected by bipolar disorder.

Testimonials

John Webb

"If you are a business owner, and you don't have industry nights in your toolkit just yet, I highly recommend that you check it out."

David Johnson

"I love industry nights! This is an amazing service and it has saved me and my small business so much time. I plan to use it for a long time to come."

Jane Smith

"I have tried a few software of this kind and industry nights is the best by far!"
